Ridwan Gbadamosi

Software Engineer

Location: London/United Kingdom
Email: ridwanishola97@gmail.com
Github: github.com/ridwan098
Portfolio: ridwan.co.uk
FCC: freecodecamp.org/ridwan098

PROJECTS

Higher Exam — *Software Engineering Group Project*

Collaborated with peers to build an online examination system for a client using HTML, CSS, Javascript, SQL, PHP, Firebase functions and Firebase Firestore. Outcome was a success as we received a first class for it. Project can be viewed on my github.

Covid 19 Tracker — *Solo Project*

Web app built with React.js that uses API to collect and tabulate data on the spread of coronavirus. This project is hosted on netlify and source code can be viewed on my Github profile

EXPERIENCE

QConsult, London — *Consultant*

JUNE 2019 - JULY 2019

- Conduct interviews, surveys and research on business
- Provide recommendations for improvement, testing them and presenting findings to client

EDUCATION

Queen Mary University, of London — *BSc Computer Science*

September 2018 - 2021/22

– Linear Algebra, Probability, Automata and Formal Languages, Logic and Discrete Structures, Computer Systems and Networks, Operating Systems, Database Systems

– GPA: 84/100, First Class

FreeCodeCamp – *Web Certifications*

May 2020 - August 2020

– Self Taught courses resulting in certifications in: Javascript Algorithms and Data Structures, Responsive Web Design, Front End Libraries, Data Visualisation (in D3).

SKILLS

Technologies: Python (proficient), Java, Javascript (ES6), React, SQL, HTML, CSS (Sass/SCSS), AngularJS, Firebase.

Tools and Platforms: Firebase, Netlify, Heroku, Git, Github

Languages: English, Yoruba (speaking and writing), Arabic (reading)

Areas of interest: Algorithms and data structures, user-friendly interfaces, networks, competitive programming, full-stack web development, optimisation, automation, and data analysis.

ACTIVITIES

JUNE 2019: Facebook Web Development Workshop (Black@)

AUGUST 2019: Capital Enterprise Talent Mixer Event

JUNE 2014 – JULY 2014: NCS (National Citizen Service) Graduate

INTERESTS

Travelling, Hiking, Boxing, Football, Music, Muay Thai
